

THE BATSHEVA Dance Company is preparing two events — the first since the arrival of **Paul Sanasardo** as artistic director. The main event will be a gala evening at the Habima Theatre on January 31. The programme will include two works by Paul Sanasardo himself — "Step by Step" and "Work Prayer," and a revival of the late **John Cranko's** "Song of my People, Sea People." The other event will be two performances by the "Batsheva II" company in the Batsheva studios on January 21 and 22. Works by **Rina Shaham**, **Ruth Eshel** and **Miri Magnus** will feature in the programme.
